

National Technical University of Ukraine "KPI"

"Kyiv Polytechnic Institute"

National Technical University of Ukraine "Kyiv Polytechnic Institute"

OFFICIAL TRANSCRIPT

Name: Anna Yushtina

Birthday: 9th of February 1989

University Name and Address: National Technical University of Ukraine "Kyiv Polytechnic Institute", 37, Peremogy ave., 03056, Kyiv, Ukraine

Department: Printing and Publishing Institute

Major: Technology of Electronic Multimedia Editions

Period of Studying: 10 semesters

Grading System: Examinations and varied pass-fail examinations according to 4-grade system:

Excellent, good, satisfactory, unsatisfactory

Pass-fail Examinations – 2-grade system: passed, not passed

1st semester

Course Title	Credit hours per semester	ECTS	Grade	Type of Grade (exam, varied pass-fail exam, course work, etc)
Higher Mathematics - 1. Elements of Linear, Vector Algebra. Analytic Geometry.	216	A	excellent	examination
Introduction to Major. History of Publishing Development	144	A	excellent	examination
Technology of Printing Industry - 1. Technology of Prepress and Printing Processes	108	B	good	examination
Technology of Printing Industry - 1. Technology of Prepress and Printing Processes	108	B	passed	pass-fail examination
Physics - 1. Mechanics and Molecular Physics	108	B	good	varied pass-fail examination
Engineering and Computer Graphics	144	A	excellent	varied pass-fail examination
Theoretical and Applied Mechanics	108	B	passed	pass-fail examination
Philosophy (Ethics, Esthetics, Religion, Logic)	54	C	passed	pass-fail examination
Science of Culture	36	C	passed	pass-fail examination
Fundamentals of Computer Science	180	B	passed	pass-fail examination
			G.P.A.	4.6

2nd semester

Course Title	Credit hours per semester	ECTS	Grade	Type of Grade (exam, varied pass-fail exam, course work, etc)
Higher Mathematics - 2. Integral Calculus. The Functions of One	180	A	excellent	examination

Variable				
Physical and Chemical Fundamentals of Printing Technology	180	A	excellent	examination
Technology of Printing Industry - 2. Technology of Postprinting Processes	180	B	good	examination
History of Ukraine	54	B	passed	pass-fail examination
Fundamentals of Systems Analysis	108	A	passed	pass-fail examination
System Programming and Operation Systems	144	B	good	varied pass-fail examination
Physics - 2. Electricity and Magnetism, Optics	108	C	good	varied pass-fail examination
Ukrainian Language	36	A	passed	pass-fail examination
Fundamentals of Electrical Technology and Electronics	108	B	passed	pass-fail examination
Foreign Language	144	A	passed	pass-fail examination
Physical Training	72	A	passed	pass-fail examination
			G.P.A.	4.4

3rd semester

Course Title	Credit hours per semester	ECTS	Grade	Type of Grade (exam, varied pass-fail exam, course work, etc)
Physics (Optics, Atomic and Nuclear Physics, Elementary Particles)	144	A	excellent	examination
Technological Materials of Publishing and Printing	144	A	excellent	examination
Organization of Databases	180	A	excellent	examination
Computers and Microprocessor Systems	144	A	excellent	varied pass-fail examination
Computer Technology in Publishing and Printing	144	A	excellent	varied pass-fail examination
Ecology	72	A	passed	pass-fail examination
Fundamentals of Color Theory and Color Reproduction in Printing	126	A	passed	pass-fail examination
			G.P.A.	5.0

4th semester

Course Title	Credit hours per semester	ECTS	Grade	Type of Grade (exam, varied pass-fail exam, course work, etc)
Computer Circuitry	144	A	excellent	examination
Circuitry of Units and Devices	180	A	excellent	examination
Automation of Designing, Making and Mounting of Publications, Packing	180	A	excellent	examination
Fundamentals of Reliability Theory	108	A	excellent	varied pass-fail examination
Reprography	144	A	excellent	varied pass-fail examination
Physical Training	72	C	passed	pass-fail examination
Multimedia Technology of Rare Books Recovery	108	A	excellent	varied pass-fail examination
Philosophy	90	A	passed	pass-fail examination
Foreign Language	126	A	passed	pass-fail examination

G.P.A.	5.0
---------------	------------

5th semester

Course Title	Credit hours per semester	ECTS	Grade	Type of Grade (exam, varied pass-fail exam, course work, etc)
Computerized Reprographic Systems and Automated Systems of Processing of Text and Graphic Information – 1. Reprographic Systems	144	A	excellent	examination
Fundamentals of Design of Artificial Intelligence	180	A	excellent	examination
Computerized Technology and Systems of Production of Electronic Publications	180	A	excellent	examination
Circuitry of Units and Devices	36	A	excellent	course thesis
Information Processing Technology -1. Text Information Processing	180	A	excellent	varied pass-fail examination
Technology of Creation of Web Publications	180	A	excellent	varied pass-fail examination
Psychology	54	A	passed	pass-fail examination
Sociology	54	A	passed	pass-fail examination
Physical Training	72	A	passed	pass-fail examination
			G.P.A.	5.0

6th semester

Course Title	Credit hours per semester	ECTS	Grade	Type of Grade (exam, varied pass-fail exam, course work, etc)
Computerized Reprographic Systems and Automated Systems of Processing of Text and Graphic Information – 2. Automated Systems of Processing of Text and Graphic Information	144	A	excellent	examination
Information Processing Technology -1. Graphic Information Processing	144	A	excellent	examination
Fundamentals of Metrology, Standardization and Quality Management	180	A	excellent	examination
Computer Networks	108	A	excellent	varied pass-fail examination
Life Safety and Labour Protection	126	A	excellent	varied pass-fail examination
Foreign Language	144	A	passed	pass-fail examination
Economical Theory	72	A	passed	pass-fail examination
Fundamentals of Patenting and Copyright	108	A	passed	pass-fail examination
Computerized Technology and Systems of Production of Electronic Publications	180	A	passed	pass-fail examination
			G.P.A.	5.0

7th semester

Course Title	Credit hours per	ECTS	Grade	Type of Grade (exam, varied pass-fail exam, course work,
---------------------	-------------------------	-------------	--------------	---

	semester			etc)
Systems Engineering of Computerized Publishing Systems - 1. Fundamentals of Systems Engineering	162	A	excellent	examination
Protection Technologies - 1. Technology of Protection of Publications	144	A	excellent	examination
Economy and Organization of Publishing and Printing Industry	72	A	excellent	varied pass-fail examination
Electronic Media	126	A	excellent	varied pass-fail examination
Foreign Language	72	A	passed	pass-fail examination
Printing Equipment	72	A	passed	pass-fail examination
Design of Publishing and Printing Industry - 1. Design of Technological Process	-	A	excellent	course project
Design of Publishing and Printing Industry - 1. Design of Technological Process	180	A	passed	pass-fail examination
Digital Photography	108	A	passed	pass-fail examination
Direction of Multimedia Publications	108	A	passed	pass-fail examination
			G.P.A.	5.0

8th semester

Course Title	Credit hours per semester	ECTS	Grade	Type of Grade (exam, varied pass-fail exam, course work, etc)
Design of Publishing and Printing Industry - 2. Design of Industrial Process	144	A	excellent	examination
Protection Technologies - 2. Technology of Protection of Electronic and Multimedia Publications	72	A	excellent	varied pass-fail examination
Creation of XML - documents	108	A	excellent	varied pass-fail examination
Systems Engineering of Computerized publishing systems - 2.	72	A	excellent	varied pass-fail examination
Law Science	54	A	passed	pass-fail examination
Political Science	54	A	passed	pass-fail examination
Management and Marketing	54	A	passed	pass-fail examination
			G.P.A.	5.0

9th semester

Course Title	Credit hours per semester	ECTS	Grade	Type of Grade (exam, varied pass-fail exam, course work, etc)
Information Security in Computer Systems	108	A	excellent	examination
Engineering and Technical Support of Publishing and Printing Industries - 1. Projecting of Infrastructure Production	180	A	excellent	examination

Systems Engineering of Automated Publishing and Printing Complexes – 1. Systems Engineering of Automated Publishing and Printing Complexes, Forming and Printing Processes	90	A	excellent	examination
Equations of Mathematical Physics for Description of Processes of Publishing Technologies	108	A	excellent	varied pass-fail examination
Intellectual Property	36	B	passed	pass-fail examination
Philosophical Problems of Scientific Knowledge	54	A	passed	pass-fail examination
Pedagogy of Higher Education	54	D	passed	pass-fail examination
Patenting and Copyright	72	A	passed	pass-fail examination
Foreign Language of Professional Field	36	A	passed	pass-fail examination
Management	54	A	passed	pass-fail examination
Fundamentals of Theory of Decision Making	108	A	passed	pass-fail examination
Problem-oriented Management Tools	108	A	passed	pass-fail examination
			G.P.A.	5.0

Cummulative G.P.A. of 9 semesters = 4.9

The Vice-Rector

Date: 14 April, 2011

The Director Printing and Publishing Institute

Date: 14 April, 2011

Head of Academic Mobility Department

Date: 14 April, 2011

Prof., Dr. Sc. Gennadii Varlamov

Prof., Petro Kyrychok

Tetiana Kuchynska
